SOUTH CAROLINA

DOCKET NO. 98-061-C - ORDER NO. 2002-168

MARCH 7, 2002

IN RE: Application of MVX.COM Communications, Inc. for a Certificate of Public Convenience and Necessity to Operate as a Reseller of Interexchange Telecommunications Services within the State of South Carolina.)	ORDER APPROVING
)	CHANGE OF NAME
)	AND AMENDING
)	CERTIFICATE
)	

This matter comes before the Public Service Commission of South Carolina ("Commission") on the request of QuantumShift Communications, Inc. ("QuantumShift") f/k/a MVX.COM Communications, Inc. ("MVX.COM") to amend the Certificate of Public Convenience and Necessity authorizing MVX.COM to provide resold interexchange services. The requested amendment to the certificate is to reflect a change in name.

By letter dated February 1, 2002, counsel for QuantumShift advised the Commission that MVX.COM had previously filed a request for a name change in Docket No. 1999-479-C where MVX.COM was authorized to provide local telecommunications services. Upon consideration of MVX.COM's request for a name change in Docket No. 1999-479-C, the Commission approved a change in name from MVX.COM Communications, Inc. to QuantumShift Communications, Inc. Counsel now advises the Commission that the name change to QuantumShift also applies to the Certificate of Public Convenience and Necessity issued by Order No. 98-567, dated July 24, 1998, Docket No. 98-061-C.

Upon consideration of this matter, the Commission finds that the name change requested in the instant docket should be approved. In Order No. 2002-59, dated January 25, 2002, Docket No. 1999-479-C, this Commission approved a name change from MVX.COM Communication, Inc. to QuantumShift Communications, Inc. At the time of filing of the original request for name change in Docket No. 1999-479-C, the name change request was noticed to the public, and no protests or comments concerning the proposed name change were received. The matter presently before the Commission amends the remaining Certificate of Public Convenience and Necessity under which MVX.COM is providing telecommunications services in South Carolina to reflect the change in the company's name.

The Commission therefore finds that the request to amend the Certificate of Public Convenience and Necessity issued under Order No. 98-567, dated July 24, 1998, Docket No. 98-061-C to reflect a change in name is appropriate and should be granted. The Commission therefore approves the following name change in this docket:

FROM: MVX.COM Communications, Inc.
TO: QuantumShift Communications, Inc.

The Commission's records will hereby reflect the change in name.

IT IS SO ORDERED.
